

Accommodation in Edmonton

Pixel Blue College is a boutique-style college focusing on hands-on, practical career training. Due to the small size of the institution, there is no residence or campus housing available. However, the College is centrally located with nearby public transit and a variety of housing accommodations within the neighbourhood.

The following is a list of potential rental opportunities:

- [Rentingspaces.ca](https://rentingspaces.ca) provides off-campus housing listings and search services to anyone looking for rental accommodations in Edmonton.
- See Edmonton roommates & rooms for rent in Edmonton through [EasyRoommate](https://www.easyyroommate.com).
- [RentBoard.ca](https://rentboard.ca) advertises to hundreds of thousands of renters across Canada.
- [Studentplace.ca](https://studentplace.ca) is Canada's largest student-created student housing resource.
- Grant MacEwan University is a few blocks from Pixel Blue College. Check out [MacEwan Residence](https://www.macewan.ca/residence) as it can sometimes accommodate non-MacEwan students.

Note: Renting Rights and Obligations

Before you move in to your accommodation, you and your landlord need to agree to the terms of your rental agreement in a contract. This contract is called a residential tenancy agreement. A written agreement is wise. You can get information regarding your rights as tenants at: [Information for landlords and tenants](https://www2.gov.bc.ca/gov2/tenants). In Canada, call: 1-877-427-4088.
